For technical reasons, twelve people may take part in the training. The order of applications decides about participation in the workshops.

The cost of participation in the workshop is **700,00 PLN** (including VAT) - for module A and **500,00 PLN** (VAT included) for module B and C.

Registration will be carried out until the limit of places is reached.

After submitting your application, please wait for an e-mail confirming your application. Next, a message will be sent informing about the status of the reservation along with the account number. The time to make a payment and send a copy confirming the payment to the return email address is five business days. After this date the registration will be canceled and will allow the participation of people who have registered after the limit of places has been exhausted (such persons will receive an e-mail about the possibility of making a deposit, and thus about participating in the workshop).
